Goodyear has proudly served the nation’s military for over 105 years with key tire fitments. Exclusive advances make Goodyear Military Tires the mission-critical performance choice with innovations found nowhere else. Use the chart below to find the model right for you, whatever the payload or mission requirement — from line haul, local haul, unit resupply, combat, combat support, or combat service support missions.

#### Recommended Load and Pressure

- Load: 25/32nds
- Pressure: 350 psi

#### Registration Information

- Goodyear
- Highway D
- 9.00R20

---

**UNISTEEL G272 MSA**

- **Rugged tread blocks and tread design offer enhanced scrub action in deep mud, sand, and snow.**
- **Three-ply sidewall construction for superb off-road traction.**
- **Durawall™ Technology for enhanced sidewall toughness and off-road mobility.**

**UNISTEEL G272 MSA**

- **Versatile, all-position tire with rugged tread design for superb off-road traction.**
- **High tear-strength compound in tread cap to resist chipping and chunking.**
- **High tear-strength compound in tread cap to provide enhanced sidewall toughness and off-road mobility.**

**UNISTEEL G272 MSA**

- **Three-ply sidewall construction for superb off-road traction.**
- **Durawall™ Technology for enhanced sidewall toughness and off-road mobility.**
- **High tear-strength compound in tread cap to resist chipping and chunking.**

---

**UNISTEEL G278 MSA**

- **High-tensile steel belts offer superb puncture- and impact resistance.**
- **Self-cleaning tread elements for traction and tough sidewall construction.**
- **High tear-strength compound in tread cap to provide enhanced sidewall toughness and off-road mobility.**

---

**UNISTEEL G386 MSA**

- **High-tensile steel belts offer superb puncture- and impact resistance.**
- **Self-cleaning tread elements for traction and tough sidewall construction.**
- **High tear-strength compound in tread cap to provide enhanced sidewall toughness and off-road mobility.**

---

**UNISTEEL MV/T**

- **Hardworking wraparound tread offers enhanced mileage.**
- **High tear-strength compound in tread cap to resist chipping and chunking.**
- **High tear-strength compound in tread cap to provide enhanced sidewall toughness and off-road mobility.**

---

**UNISTEEL AT-2A**

- **High tear-strength compound in tread cap to resist chipping and chunking.**
- **High tear-strength compound in tread cap to provide enhanced sidewall toughness and off-road mobility.**
- **High tear-strength compound in tread cap to resist chipping and chunking.**

---

**UNISTEEL AT-3A**

- **High tear-strength compound in tread cap to resist chipping and chunking.**
